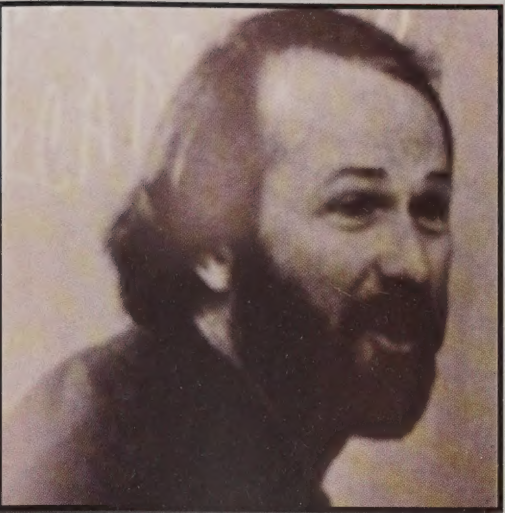
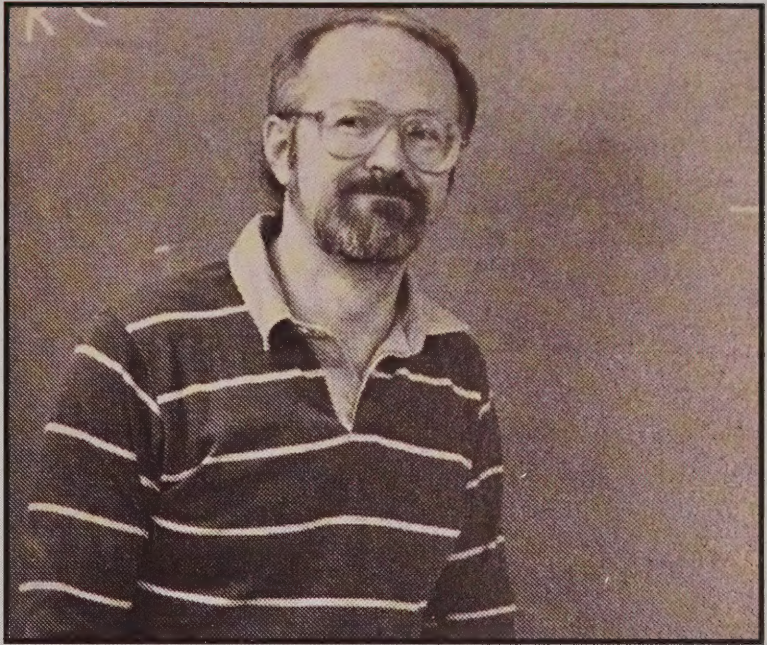
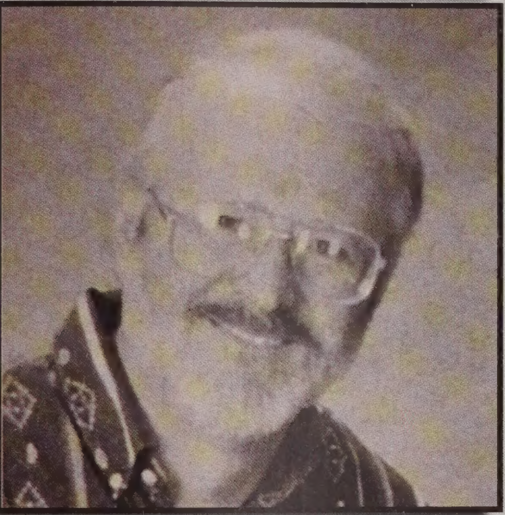
Dedication

Mr. Jack McMahon







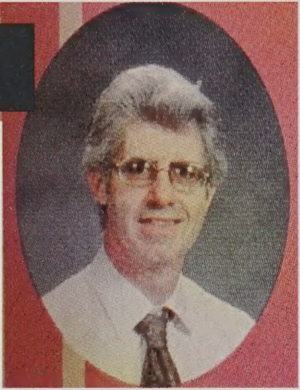
A graduate of Boston College as well as a long time teacher in the Waltham Public Schools, we honor Mr. Jack McMahon. Over the forty-six years he has spent teaching in the math department, Mr. McMahon has made a remarkable impact on many of his students. He began his teaching career at Central Junior High School and then made the trip up the hill to teach at Waltham High School.

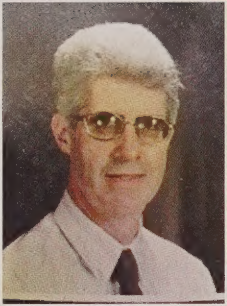
Mr. McMahon is an excellent chess player and someone who loves Boston Sports. He will never be forgotten at Waltham High School. Every day Mr. McMahon is one of the last teachers out of the building… sometimes leaving his classroom at 4:00, as he helps his students master mathematics. One student in particular that Mr. McMahon helped was Mr. Bernard's brother, Calvin, who he always considered to be one of his strongest and most diligent students. Calvin went into Mr. McMahon's class not knowing math and left his classroom being brilliant in math as well as having the motivation to make himself one of the most successful students to graduate from Waltham High School.

This 2016 yearbook dedication goes to Jack McMahon, for his dedication and numerous years in teaching in the Waltham High School Math Department. On behalf of the Waltham Community we wish you only the best in your retirement.

Happy Retirement!

Mr. Ronald Colachico



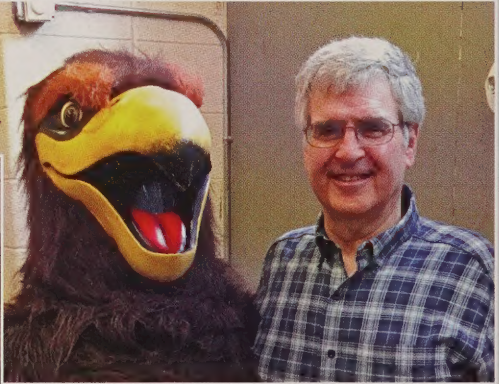


Mr. Colachico taught Chemistry at Waltham High School for nearly 10 years. Before his time at WHS, he taught Chemistry at a Catholic School. He was highly respected by his students and deeply knowledgeable in his content area.

Ms. Ginger Connearney

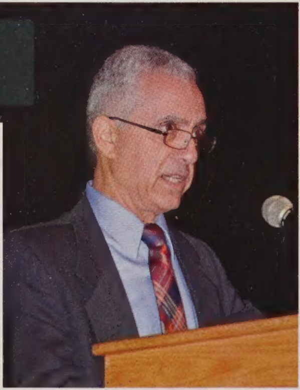
Ms. Connearney taught drawing and painting, sculpture, Advanced art and AP portfolio prep, and presented countless student exhibitions and displays for 25 years. She was co-chairman of the Faculty Forum, ran the annual Denim Day Breast Cancer Research Fundraiser and served for many years on the Waltham High School Scholarship Committee.

Mr. William Corbett



Mr. Corbett has been the Electrical teacher at WHS for 20 years. Prior to his job at the high school he worked as a union electrician. He has built his shop from nothing. Mr. Corbett is very caring about his students and has provided them many opportunities to succeed, including building a relationship with Electrical Local 103 so that two WHS students have opportunity for union apprenticeships each year.

Mr. Thomas DeSisto



Mr. DeSisto came to Waltham High School after retiring from his first career in technology. He has been at the high school for 12 years. He was a dedicated math teacher, the advisor for the Chess Club, and could be counted on to help wherever needed, especially with his knowledge in software and GradeQuick!

Loyalty Trust Dedication Mentors Appreciation Thanks

Mr. Ernest Glynn

Mr. Glynn was a long time member of the Waltham community. He taught health at the middle schools in Waltham prior to becoming a 9th grade science teacher at WHS. He has been in the district for over 30 years as a science and health teacher and a football coach.

Ms. Marcia Munday

After working as a mental health counselor for a community mental health center, Ms. Munday began her career in Waltham as a guidance counselor in 1995 and then moved into administration in 2005. While in Waltham, she was also the administrator for the high school MCAS tests and served as co-chair for the Waltham Bullying Prevention Task Force.

Mr. Michael Sparkes

Mr. Sparkes has been a math teacher in Waltham for 22 years after his first career in management. His first position in the school system was at the Vocational school. He is dedicated and hard-working and cares about his students. His dedication and eagerness to help students shined in his participation with numerous summer programs and ELL programs. over the years

"Our record this year did not reflect how hard we worked during the offseason. We all came together in the early part of the season and realized that this team is bigger than everyone of us. As the season went on we didn't just become better football players we became brothers.This program means so much to the community and the coaching staff did a really great job of reminding us that we are not just playing for our school, we are playing for the city of Waltham." -Joey Carroll

"Just play. Have fun. Enjoy the game." -Fabrice

"Life is not about how hard you can hit, but how much you can and still keep moving forward."- Sean Turpin

Football Cheerleaders

The Waltham High School football cheerleading team has accomplished quite a lot this year. They won first place at both invitationals this fall. They not only won first place in the DCL but also grand champions with the highest score. At regionals, the team placed first in the north region in the D2 division. This made history for Waltham High School being the first cheerleading team from Waltham High School to ever take first at Regionals. The girls went on to States and placed third earning a bid to Nationals. The team traveled to Nationals in Orlando, Florida to compete amongst the best teams across the country in a two day competition at Disney's ESPN Wide World of Sports. They made history once again winning first place at Nationals, high score, and Grand Champions of the high school divisions. Their coach, Kerrie Blanchard, was chosen as "Coach of the Year" by the National Americheer Association.

These girls were not only leaders in their high school but in the community as well. Their community service was admirable. Throughout the season, the girls took part in the Melanoma 5K, Piggy's 5K, Breast Cancer Awareness month, raised money for ALS, held youth clinics, and volunteered for the Bentley exchange program, the Special Olympics, and the Hawkstars vs. Wizards fundraiser. This team truly exemplifies what "One Waltham" means.

Girls Basketball

The 2015-16 Girls' Varsity Basketball Team had a historic year. Finishing the season only one loss away from tying for first place in the Small Division of the Dual County League, the girls and Coach Nugent had to settle for second, but that didn't keep them from going for the ultimate goal of qualifying for the MIAA State Tournament. The Lady Hawks finished with an impressive regular season record of 12 wins 8 losses and earned the 11th seed in the Division I North Tournament. Led by Captains' and DCL All-Stars Jr. Taylor Pinzone and Sr. Courtney Paschal, along with Sr. Samantha Silva, the girls traveled to 6th seed Everett in the first round of the tournament and came home with a historic victory. It had been 12 seasons since the last tournament win and an appearance at the MIAA Quart-finals. Co-Capt. Courtney Paschal concluded her historic year as only one of three female basketball players at WHS to score over 1,000 points in her high school career!

Although seniors Courtney and Sam will be missed, their contributions to the program have helped to set the tone for future successes. With the talents of returning juniors and DCL All-Stars Taylor Pinzone and Sophia Guerrier, along with sophomores Sydney Giugno, Devon DeMeo, Mirna Marroquin, freshmen Sheridan Blaha and Lauren Sampson, the Lady Hawks now have the experience and knowledge of what it takes to once again be successful in the challenging Dual County League as well as in the MIAA Tournament. Congrats to Courtney and Sam for all their successes and Good Luck!

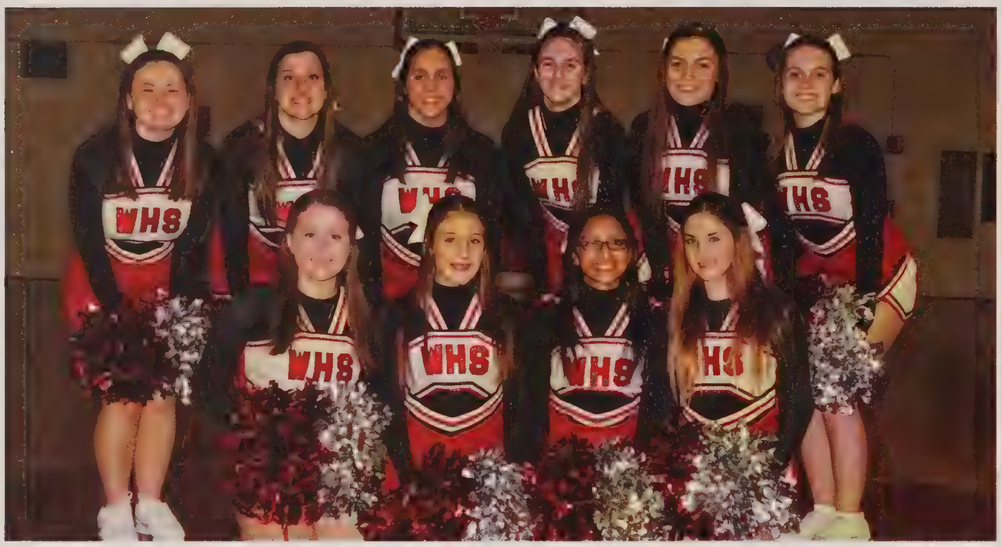
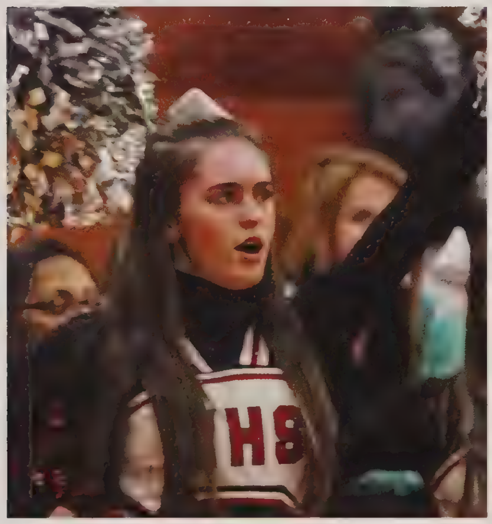
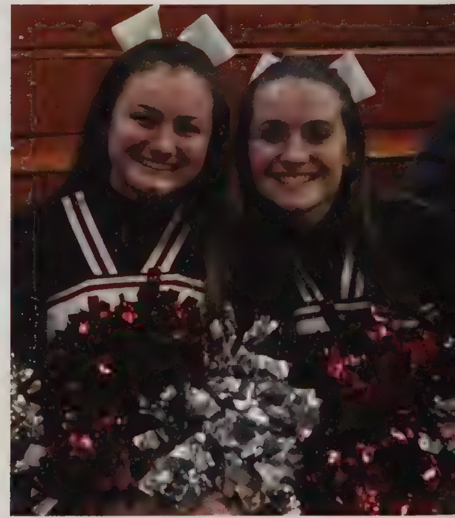
Basketball Cheerleaders



During the short three months of this season, the cheerleaders had a blast showing school spirit and getting the amazing superfans going. The team was full of sophomores and freshmen and they had great energy during the games. This season consisted of a youth clinic for the youth cheerleaders, distributing shirts and necklaces at the games, getting shirts made for the basketball players, making posters for each player, team dinners, and decorating all of the varsity players' houses.



"Red and white, fight Hawks fight!"



Tori Blanchard, Giulia DiGenova, Grace Gullotti, Jessica Lombardi, Autumn Medbery, Mariel Pasciscia

"Dribble it pass it we want a basket!"

The season started off really well with a quick 5 wins. The team was able to overcome challenges in the middle of the season to clinch a spot in the tournament.

Swimming and Diving

Waltham Swimming and Diving had a most successful season in winter of 2015-16. The boys broke two school records in the 200 and 400 free relays. Both relays were made up of Tony Thanatheerapong [10], Bernard Ssentogo [11], Ho Yau [12] and Victor Chung [12]. The boys had their best finish at sectionals finishing in the top 15 for both events. The boys scored at the State meet for the first time since 1999.

The Girls were led by senior Connie Lee who was the backbone of a rebuilding girls team. Lauren Irving was the lone diver and in her 1st year of competition qualified for the Sectional Meet.

The boys and girls teams are faster than they have ever been.

"This season has been amazing, and I could not be more proud to be the captain of the team. Even though we sometimes fell short of our hopes, we still had the strength to pull ourselves back up, and this made me extremely proud. I will never forget the accomplishments that we achieved as a team throughout the season, and it was an honor to be a part of the team." - Connie Lee

The girls indoor track team had an exciting season led by Coach Francois Joseph, Assistant Coach Trish Vasquezi, and Senior Captains Amanda Concetti, Lindsey Mogan, and MacKenzie Darcy. Track requires a lot of perseverance and dedication. As the team displayed these qualities, many of the athletes were able to make it to States. The team sent Senior Julianna Cacciatore to states for shot put, Senior Amanda Concetti for Long jump and the 55m Hurdles, Juniors Trixie Bernard and Kylie Danier ran the 55 meter dash as Danier also competed in the 55m Hurdles. Two relays were sent to states as well. The 4x200 meter relay consisted of Concetti, Bernard, Danier, and Sophomore Melanie Cano. Meanwhile the 4x400 meter relay was Darcy, Sophomores Elena Kelley, Michela Platt, and Cano.

Freshmen Mentor Program

The Freshman Mentor Program is an organization of juniors and seniors who organize activities and events to help incoming freshmen transition to high school. These events include an orientation on the day before school, a tutoring program during the school year, and various seasonal social events.

...and it was delicious!
REVIEW

Girls Who Code

Girls Who Code is a national nonprofit organization working to close the gender gap in the technology and engineering fields. They work to educate, inspire, and equip high school girls with the skills and resources to pursue opportunities in computing fields.

History Club

The History Club provides a wide variety of programs, offerings, and events that examine all eras and types of history including Waltham's rich history and community partnerships, and US and World History. History Club programs are vetted by its teacher advisers and run with input from an appointed student advisory board.

Hydroponics Club

In the Hydroponics Club, students have the opportunity to learn about how to grow plants in just water with no soil.

Italian Club

The Italian Club promotes Italian culture through several activities including Columbus Day and Holiday Celebrations, Italian Night, field trips, and fundraising.

Spanish Club

The Spanish Club give students the opportunity to explore the Spanish culture. Annual activities include an International night dinner at a Spanish restaurant and a Spanish movie night.

French Club

Members of this club attend French movies and plays, dine at a French restaurant, and host a parents' night in the spring at which students and teachers cook and invite parents to sample student cooking.

Robotics Club

The Robotics Team plans, designs, builds, programs, tests, troubleshoots and presents a robot for the US FIRST Tech Challenge Massachusetts Regional Competition. Team members develop communication, business, engineering, computer, mathematical, leadership, mechanical, scientific and electronics skills.

Science Club

Members of the Science Club are students in grades 9-12 with a serious interest in the sciences. Students visit area universities and laboratories. This year, students participated in the Brandeis Research Challenge and also hosted numerous Science Pizza Talks throughout the year.

REC Club

REC is a student run organization that educates peers about social issues that directly affect them, the community, and the nation at large.

Student Council

The Student Council is an organization that plans many of the full school activities at Waltham High School including the Student Santa Program, Homecoming, and the Scavenger Hunt. Elections are held in June each year.

Read-a-thon

Sixty-seven students participated in our first twenty-four hour Read-a-thon. By the end of the twenty-four hours, each student had read eight of the sixteen books selected by the summer reading committee. At 4 am, they started discussing the final four options, and by 7:30am a final decision had been made!

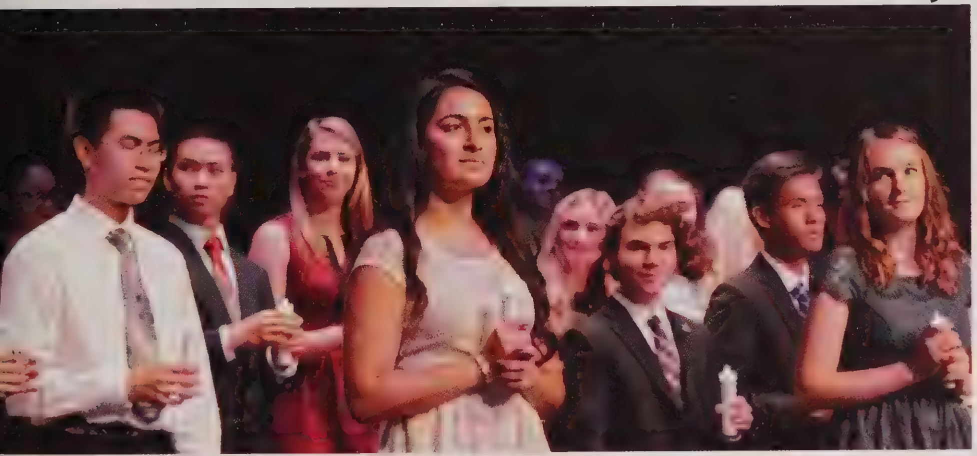
Senior Events

National Honor Society Inductions



It is impossible to forget the over 150 dynamic cast and crew members of Senior Revue chanting "Seniors! Seniors! Seniors! Seniors! Seniors!" This event was surely one of the first and fondest memories of the class of 2016. A thematic seasonal performance including a diverse sample of every senior in the class, including athletes, dancers, academics & vocational students working towards the common goal of Theatrical Excellence. We can't forget Mr. Antolini, Ms. Rayne & Ms. Gonzalez performing right alongside of us!

Senior Revue

"Working with this amazing group of Seniors I am so glad I was able to build closer bonds with our own class!"

"Senior Revue was such a great experience. It gave the class of 2016 the opportunity to bond before we go off to college, plus we put on a great show!! - Emma

"Don't aim for success if you want it; just do what you love and believe in, and it will come naturally."
-David Frost.

James,
We are so proud of you. We have watched you grow into such a wonderful, compassionate, responsible, and giving young man. As you continue your journey, follow your dreams and approach new adventures in your life, stay true to who you are, what you believe in and be proud of the person you have become. Surround yourself with dream builders. Remember family, faith, friends, hope, trust and love are essential. We love you!
